Sweeter than Honey

Boys and girls, with summer approaching I have noticed a lot of activity in my flowerbeds. Honey bees are working hard, collecting nectar. I love honey, especially on my toast! Did you know that God's Word describes itself as being sweeter than honey? In Psalm 119:103 it says, "How sweet are thy words unto my taste! yea, sweeter than honey to my mouth!"

The Bible is sweeter than honey because it contains the sweetest message of all, about the sweetest person of all. It tells us of salvation and of the Lord Jesus Christ the only Saviour of the world.

And the Bible is like honey because it sustains us. Honey is a good source of food. It is nature's sweetener, without additives or colouring. Honey will keep you strong and healthy. John the Baptist lived on honey and locusts. I'm sure it took

a lot of honey to get those locusts down! Just as the honey sustains the body, the Bible sustains us spiritually. In Psalm 119:28 David prays, "Strengthen thou me according to thy word."

Like honey, the Bible stands the test of time. Honey has special qualities which stop it from going bad. Years ago archaeologists found pots of honey in the pyramids of Egypt. And they discovered that the contents were still edible, even after being buried for thousands of years! The Bible too has stood the test of time. Psalm 119:160 reminds us that it is true from the beginning and that it will endure forever. Boys and girls, I hope that you remember to read God's precious Word every day.
